The Auction Company reserves the right to lower the commission in order to sell the car with the seller’s net figure being unchanged. The seller may verbally agree to lower the reserve price during the auction process. A reserve vehicle whose reserve is lifted on the block is still subject to the 8% commission fee. If the vehicle is checked into the auction and is withdrawn or does not cross the auction block to be offered for sale I agree to pay the sale commission in full plus the buyers fee on the stated reserve price unless specific written authorization is obtained from The Electric garage Inc waiving said fees.
